Re: Sigalos v. OMRDD, CV 99-3787 (ARR) (CLP)

Dear Judge Ross:

This office represents the defendant in the above-referenced action. With plaintiff's consent, I am writing to respectfully request an extension of the schedule for submission of the remaining opposition and reply papers, described below, relating to defendant's motion for summary judgment and plaintiff's cross-motion.

The reason for this request is that I have been ill with the flu. The current motion schedule is as follows: defendant's reply and opposition to plaintiff's cross-motion are due January 17, 2006. Plaintiff's reply in support of his cross-motion is due January 31, 2006.

The proposed revised motion schedule is as follows: Defendant's reply and opposition to plaintiff's cross-motion will be due February 1, 2006. Plaintiff's reply in support of his cross-motion will be due February 16, 2006. There have been no prior requests for this relief. No other deadlines are affected by this request.

The Court's consideration is appreciated.

Application granted. Defendant's reply +
opposition shall be filed by Feb. 1, 2006.
Plaintiff's reply shall be filed by
Feb 16, 2006. Parties are notified that
no further extensions will be granted
in this matter.

cc: Mr. George Sigalos
So ordered

Respectfully submitted,

WB.
